Application will not be processed if required documents are not submitted with application. Please allow three (3) business days for plan review and permit processing.

The mission of the Inspection & Enforcement Department is to insure the highest quality of life for the citizens of the City of Greensboro through the enforcement Zoning Ordinance and to protect public health, safety & welfare.

Documents required to be submitted with permit application: (2 sets)

Plot Plan:

1. A surveyor prepared or scaled drawing with the overall dimensions and size of the property.
2. Street and road frontage with names of such.
3. Location of any existing and proposed structures with dimensions.
4. Distances from all property lines to the structure.
5. Setbacks are required by City Zoning Ordinance.

Detailed Construction Plan:

1. Plans showing the project in sufficient detail to ensure building code compliance.
2. Typically the following will be considered sufficient: foundation plan, floor plan, typical cross sections, elevation drawings, and completed energy forms.

Permits required for the following:

- New Construction and Additions
- Demolition
- Manufactured Home Placement
- Shed and Out Buildings
- Pools and hot tubs (all pools and tubs designed for filtering system and are 24 inches and deeper)
- Roofing and siding replacement
- Fences
- Structural Renovations
- Decks and gazebos
- All signs

All contractor's and subcontractor's are required to be licensed with the City of Greensboro.

I have read and understand the above regulations set forth by the City of Greensboro.
